Home2 Suites by Hilton announces September 2016 opening in Stillwater, Oklahoma, names General Manager and Director of Sales

Stillwater, OK—The Home2 Suites by Hilton is located at 306 E Hall of Fame Ave in Stillwater, Oklahoma and will open for business September 2016. The Home2 Suites will be Stillwater’s newest extended stay, all-suites hotel in the area.

The Home2 Suites Stillwater is proud to announce General Manager, Katy Lollis and Director of Sales Tiffany Citizen. Both Lollis and Citizen are Oklahoma natives and Oklahoma State University alumni. In describing her passion for hospitality, Lollis points to her daily motivation: “I enjoy taking care of people”. Citizen is driven by “meeting new people every day, hearing their stories, and being able to be the hero for the bride, coach, family, and business guests”. Tiffany Jassel, Regional Director of Operations, explains

that she has “fallen in love with the Stillwater community after recruiting for talent at OSU for multiple years and is excited to continue this tradition here. We look forward to having OSU students be a part of our culture and service at the hotel.” Jassel is inspired by the passion that Lollis and Citizen put into the hotel and community on a daily basis. “The genuine comradery and excitement of Stillwater is both contagious and enthusiastic, and we are honored to be a part of this community”.

About the Hotel:

The Home2 Suites Stillwater is located less than a mile from Oklahoma State University. This all-suite property puts you within walking distance of all of Stillwater. With brilliant colors and modern décor throughout, you'll feel a warm welcome from the moment you check in. Our suites feature a full kitchen with a microwave, refrigerator, dishes and more. Connect to friends and family with free WiFi and finish work at the Working Wall, a moveable work/dining table. Relax with your favorite shows on the 42-inch HDTV. Start your day at the Inspired Table™ with over 400 breakfast favorites, including warm artisan sandwiches, fruit, yogurt and cereals. Multi-task at Spin2 Cycle, our innovative twist on laundry and exercise, where you can run on the treadmill while you run a load of wash. Stop by the 24-hour Home2 Market convenience shop for a snack or drink. If you need to get work done, use the 24-hour business center with free WiFi and printing. Unwind in our eco-friendly saline, heated indoor pool. Even your furry friend will enjoy their time at Home2.

About Vista Host:

The Home2 Suites Stillwater is managed by Vista Host - a Hotel Management & Development Company with industry leading expertise in managing limited feature hotels. Over the past 38 years we have managed a wide array of franchise brands including Hampton Inn, Hampton Inn & Suites, Hilton Garden Inn, Home2 Suites, Homewood Suites by Hilton, Towneplace Suites & Fairfield Inn & Suites by Marriott. We know that each hotel is unique and we must address the specific needs of each hotel. Vista Host's operational strength flows from our focus in five primary areas: a strong commitment to providing legendary service to our guests; engaged involvement from our General Managers in our revenue management and sales efforts; a comprehensive sales training program, optimum efficiency in labor and operations costs; and a keen focus on talent development through award winning programs such as our MIT (Manager In Training) program to ensure we are constantly positioned to entertain new projects.
